October Club Meeting

Date: Monday, October 22

Time: 7:00 p.m.

Place: Malvern Hills Presbyterian Church

Program: River Link/Water Cleaning

Traffic Calming Efforts Continue

Residents on Bear Creek Road are working with City Council member Chris Pelly in efforts to secure speed bumps. Many of the residents have agreed to cover 1/3 of the cost with City Council contributing 2/3. The City Traffic Engineers exhausted their list of low-impact strategies and requested the City Council be approached to aid in a resolution. The efforts will continue.

Needed: A volunteer to host the annual Christmas drop-in. Participants bring a goodie to share and host/hostess provides beverages. Contact Elaine Poovey at 253-3514 if you are willing to offer your home.

The community picnic was a huge success. 40-50 residents enjoyed good food and fellowship at Malvern Hills Park. One resident remarked it was the best one we have ever had. A very special thanks to Steve Mitchell for all his hard work on behalf of our community. He continues to be the "go to" man when anything needs doing and the picnic is just one example of his skills.

Club dues (\$5) are to be paid to Dorland Winkler, Treasurer. Our fiscal year runs from September 2012-August 2013. You can mail a check to him at 77 Cranford or drop the money by on your daily walk. A budget will be presented at the October meeting so you can see how we spend our money.

General Meeting Agenda

We will elect our Vice President, approve a yearly budget, receive updates on community issues and have a presentation by a representative of River Link who will talk about water cleaning, rain gardens, and other items of interest regarding how we can help protect our water supply.

Russ Davis will update us on the website. Go to MalvernHills.org to view our web page. Have suggestions for the website? Share those with Russ at the meeting.

If you have items for our newsletter, please contact the President. The next issue will go out in December. We would like to highlight news from our residents.

Wendover:
Jessie Cole (254-8961)
Donna Parks (252-6552)
