

Malvern Hills Community News

August 2013

Issue 4

Picnic reminder: The community picnic will once again be held-rain or shine-at Malvern Hills Park in the covered picnic area on Sunday, September 8 from 4:00-6:00. Rotisserie chicken will be provided. Bring enough food for your family to add to the covered dish meal. This was a lot of fun last year so please join us. We have several new families in our community and this is a great time to meet your neighbors. If you need transportation, call Dorland Winkler at 254-8769. The annual community club dues of \$5.00 may be paid at this time. Our fiscal year runs from September-August.

Thanks to Julie Ruch and Suzanne Klonis for organizing and publicizing the community yard sale held on June 15. There were about 10 homes that participated.

Just a reminder that there is a city ordinance requiring all dogs in the city limits be on a leash. As a courtesy to the neighborhood, please carry "poop" bags when you are out walking your dog.

Our big project has been updating the community directory. Many residents have spent numerous hours working on this. Thanks goes to Arthur Road workers Stephen Canner and Sharon Crownover; Bear Creek Road: Elaine Poovey; Clarendon Road: Ann Clayton; Cranford: Caroline Winslow-Jaynes and Terrie Groce; Chester Place: Bill Burnette; School Road: Cleone Black and Steve Mitchell; Wendover Road: Andrea and Russ Davis. Our goal is to have the directory ready for distribution by the fall. **The cost of the directory printing is covered by your dues so be sure to send those to Dorland Winkler at 77 Cranford Road and you will be assured of receiving the 2013 directory.**

Our Community Club Board has been hard at work this summer. Ann Clayton submitted a grant to Home Depot and received a \$25 gift card for the purchase of mulch to use on the triangle flower beds. Steve Mitchell and Dorland Winkler have kept them looking amazing with trimming and mulching. Members of Malvern Hills Presbyterian Church along with neighborhood volunteers are repairing the stone wall that holds the entrance sign to Malvern Hills.
