

# Malvern Hills Community News

May 2013

Issue 3

Spring has arrived. As we walk through the neighborhood, we observe signs that our community is outside and working to spruce up the area. The yard waste trucks have certainly been busy picking up the trimming/pruning and leftover leaves from winter. The spring flowers and blossoming trees make us all smile. To keep Malvern Hills a vibrant place to live means we all take responsibility for our property. A BIG thank you goes to Steve Mitchell and Dorland Winkler for their continued work on the triangles. They have them looking spectacular.

## Board of Directors Meet

The Board of Directors met on Monday, April 8. Members are Elaine Poovey, President; Russ Davis Vice President; Sharon Crownover, Secretary; Dorland Winkler, Treasurer; Steve Mitchell, Immediate Past President; At-large: Cleone Black, Julie Ruch, Ann Clayton, Bill Burnette, and Suzanne Klonis.

Items discussed included the following: The annual yard sale will be held on Saturday, June 15 from 9:00 am-1:00pm. You are encouraged to do your spring cleaning and use the yard sale as a time to sell items you no longer want/need/can use.

The annual summer picnic will be at Malvern Hills Park on Sunday, September 8 from 4:00-6:00 p.m. We have reserved the covered area for use in case of rain. Last year we tried this location and found it to be an excellent spot.

We would like to update our community directory and need your help. We want to include e-mail addresses as well as street addresses. We have several new families in our neighborhood and need updated information. If we do not have your information, volunteers will be contacting you to secure it. As always, if you do not want to be included, let us know that as well.

Traffic calming on Bear Creek Road remains on the agenda for City Council funding. As you know, the Council has been holding a series of budget hearings in different parts of Asheville. Elaine spoke at the West Asheville Community meeting and has been assured some monies would be placed in the new budget, just how much and if it would be for our street, we don't know. She continues to be in contact with Councilman Chris Pelly for support on this issue.
